**Q2: Are you making this submission survey** as a registered practitioner

**Q3: Please tell us which part of the sector your submission survey represents** a registered dental therapist

**PAGE 3: General question about recertification**

**Q4: Do you think the Dental Council needs to make changes to its current recertification framework?** No - it works well as it is

**PAGE 4: Area for change one: public assurance**

**Q5: Each of the seven statements below are equally important components of good oral health care. We want to identify where there are gaps or weaknesses in the way our oral health practitioners serve the public. Please rank the components from 1-7, with one being the component you think needs the most improvement and seven being the component you think needs the least improvement:**

Patients needs and concerns are discussed and addressed with their practitioner	7
Patients feel confident their practitioner has the knowledge and skills to treat them	6

**Q6: Do you think the Dental Council needs to equip patients and the public to recognise poor practise?** Yes

**PAGE 5: Area for change two: right-touch risk-based regulation**

**Q7: Do you feel you have adequate information about the Dental Council's approach to regulation?** Yes

**Q8: A risk pyramid illustrates the connection between the desired actions and/or behaviours of a practitioner and the differing level of responses a regulator can use to encourage and/or achieve the desired action and/or behaviour. Do you think the Dental Council should develop a risk pyramid/matrix to explain the types and levels of risk and corresponding regulatory responses?**

Yes

**PAGE 6: Area for change three: risk identification**

**Q9: Which (if any) of these tools and mechanisms do you think the Dental Council should be using to identify and manage risk?**

Practical training/experience for a period of time ,  
Risk factors for practitioners,  
Practice questionnaires

**Q10: Are you aware of any other tools or mechanisms the Dental Council should be using to identify and manage risk?**

No

**Q11: Do you think any of these risk tools or mechanisms are more effective than others?**

No

**PAGE 7: Area for change four: early intervention**

**Q12: Do you think the Dental Council should explore the use of risk analysis and risk-profiling to identify poor practise sooner?**

Yes

**PAGE 8: Area for change five: compliance**

**Q13: Do you think the Dental Council should explore the use of incentives to encourage practitioner compliance?**

No

**Q14: What do you think the Dental Council could do differently to encourage practitioner compliance with its recertification requirements? Please explain:**

Nothing up to the practicener themselves they need to take responsibility

**PAGE 9: Area for change six: ongoing education and learning opportunities**

**Q15: Do you think the Dental Council should change its current amount of prescribed hours and peer activities?**

Yes - the hours should be decreased,  
Please tell us what your preferred increase/decrease in hours is and why:  
To have to do so many hours year after year after year gets a bit monotonous as dentistry doesn't have too many changes all the time we are learning same old same old and missing out on practical dentistry in our clinics

**Q16: Do you think the Dental Council should change the current length of its education and learning opportunities (CPD) cycle?**

Yes - the cycle length should be increased,  
 Please tell us what your preferred increase/decrease in cycle is and why:  
 Would not be so monotonous

**Q17: Please rank the following statements (with one being most important and eight being least important) according to the following question: Which actions should the Dental Council prioritise when considering its approach to ongoing education and learning opportunities?**

Setting some mandatory education and learning opportunities based on the Dental Council's Practice Standards 2

**Q18: Do you think the Dental Council needs to make any other changes or improvements to the ongoing education and learning process?**

Yes - but only minor changes or improvements

**PAGE 10: Final thoughts and comments**

**Q19: Do you have any other comments, suggestions or information you want to share with the Dental Council about recertification?**
