Dear Dental Council,

Thank you for the opportunity to give our say in the proposed budget for 2017/18.

I do not agree to the 20% (significant) fee increase in our APC. The council needs to provide more transparency as to where and what exactly are the funds being used for; and perhaps re-evaluate the budget instead of increasing the fees.

Also, the Dental Council needs to consider liaising with NZDA to come up with a uniform/national set of standards for all oral health professionals, instead of having different sets of existing standards which can be confusing and redundant at times.

Yours faithfully,

Lye Funn Ng, BDS
