Subject: Consultation on the 2017/18 draft budgets, APC fees, disciplinary levies and other fees

To whom it concerns,

We have looked, at and considered, the above consultation and it all appears reasonable and in order with a clear rationale for the proposed changes. We have noted that the Dental Council is calculating its fees based on the basis of cost recovery and a minimum operating reserve.

Thank you for the opportunity to comment on this work.

Kind regards,

Riana
