Subject: Proposed increase in Dental Council fees

Hello DCNZ

I wish to record my dissatisfaction with regard to your proposed fees increase.

If implemented this will result in a 20+% increase in income for the Council over the last 2 years.

I cannot raise my fees to anything like that and I resent the Council's apparent assumption that their income stream

is an unlimited funding source.

I feel that the Council needs to look closely at it's expenditure and staffing levels and makes some significant economies in

these regions.

Yours faithfully

Peter R Payne B.D.S.
