Dear Ms Warner

**Consultation on an updated sedation practice standard**

Thank you for the opportunity to review and comment on the Dental Council's draft sedation practice standard.

The document has been reviewed by the senior and junior dentists employed in Hawke's Bay District Health Board's Oral Health Service.

They advise me that collectively they believe the proposals within the document are all appropriate and reasonable standards for the provision of procedural sedation in dental practice.

We thank you for the opportunity to comment on the document.

Yours sincerely

Dr Kevin Snee
