**Subject:** Dental Council: Consultation on the draft informed consent practice standard

Good morning

Many thanks for your email in regards to the consultation on the informed consent practice standard. Dr Kathy Fuge (Clinical Director) has reviewed the document on behalf of the Service and would like to respond to the stakeholder questions posed on page 5. As Dr Fuge is currently on leave, I am responding on her behalf.

**Our comments:**

- Q1. We agree with the proposed draft informed consent practice standard
- Q2. No further elements require clarification or further guidance
- Q3. No areas that we feel have not been covered in draft
- Q4. We have no further comments on proposed standard.

Kind regards
