Subject: Dental Council Professional Boundaries practice standard consultation

Good morning Marie,

Re : Professional Boundaries Practice Standard Consultation

Thank you very much for the opportunity to comment on the Practice Standards on behalf of the Hawkes Bay Oral Health Service.

We, as an oral health service, agree and support the draft professional boundaries practice standard. We consider that all important areas have been covered and agree to:

Question 1 : We agree

Question 2 : we do not think that any further clarification or guidance is required

Question 3 : We are satisfied that all areas have been covered in the draft standard

Question 4 : Thank you for the work that has gone into getting this standard to a stage for consultation.

Kind regards,  
Ruth O'Rourke
