Q2 Are you making this submission survey

on behalf of a group

Q3 Please tell us which part of the sector your submission survey represents

a registered dental therapist

Page 3: General question about recertification

Q4 Do you think the Dental Council needs to make changes to its current recertification framework?

Yes - but only minor changes

Page 4: Area for change one: public assurance

Q5 Each of the seven statements below are equally important components of good oral health care. We want to identify where there are gaps or weaknesses in the way our oral health practitioners serve the public. Please rank the components from 1-7, with one being the component you think needs the most improvement and seven being the component you think needs the least improvement:

Patients know how to complain about treatment they have received from their practitioner

7

Q6 Do you think the Dental Council needs to equip patients and the public to recognise poor practise?

Yes

Page 5: Area for change two: right-touch risk-based regulation

Q7 Do you feel you have adequate information about the Dental Council's approach to regulation?

Yes

Q8 A risk pyramid illustrates the connection between the desired actions and/or behaviours of a practitioner and the differing level of responses a regulator can use to encourage and/or achieve the desired action and/or behaviour. Do you think the Dental Council should develop a risk pyramid/matrix to explain the types and levels of risk and corresponding regulatory responses?

Yes

Page 6: Area for change three: risk identification

Q9 Which (if any) of these tools and mechanisms do you think the Dental Council should be using to identify and manage risk?

- Risk factors for practitioners,**
- Practical training/experience for a period of time** ,
- Supervision, counselling and/or mentoring,**
- Practice audits**

Q10 Are you aware of any other tools or mechanisms the Dental Council should be using to identify and manage risk?

No

Q11 Do you think any of these risk tools or mechanisms are more effective than others?

No,

Please give your

reasons::

Not

sure

Page 7: Area for change four: early intervention

Q12 Do you think the Dental Council should explore the use of risk analysis and risk-profiling to identify poor practise sooner?

Yes,

Please give your

reasons::

To protect consumers and practitioners standard of

practice

Page 8: Area for change five: compliance

Q13 Do you think the Dental Council should explore the use of incentives to encourage practitioner compliance?

No,

Please give your

reasons::

Being professionals and having the right work etiquette is the

practitioners responsibility. It shouldn't be driven by

incentives

Q14 What do you think the Dental Council could do differently to encourage practitioner compliance with its recertification requirements? Please explain:

Fair treatment

Page 9: Area for change six: ongoing education and learning opportunities

Q15 Do you think the Dental Council should change its current amount of prescribed hours and peer activities?

No - the hours are about

right

Q16 Do you think the Dental Council should change the current length of its education and learning opportunities (CPD) cycle?

No - the cycle length is about right

Q17 Please rank the following statements (with one being most important and eight being least important) according to the following question: Which actions should the Dental Council prioritise when considering its approach to ongoing education and learning opportunities?

Changing the current amount of prescribed hours and peer activities

7

Changing the current length of the education and learning opportunities (CPD) cycle

4

Permitting practitioners to set their own hours of education and learning opportunities and quantity of peer activities

5

Requiring practitioners to maintain an accurate record of their education and learning activities

6

Permitting practitioners to choose some of their education and learning opportunities from prescribed categories

3

Setting some mandatory education and learning opportunities based on the Dental Council's Practice Standards

1

Q18 Do you think the Dental Council needs to make any other changes or improvements to the ongoing education and learning process?

Yes - but only minor changes or improvements ,

Please tell us what other changes or improvements should be made and why::

Taking exams or assessments to ensure practitioners not breaching the professionalism and to maintain the quality of work
