Subject: Draft budget submissions

Regarding comments on the draft budget document;

I appreciate the proposed decrease in fees for OHT, for the coming year, as the previous year's were extremely high. When looking upon other profession's APC fees, such as nurses, midwives etc, ours seemed disproportionate without clear indication on what these payments went to those affected.

I still feel the following fees (attached picture, page 20 of the document) are unnecessarily high...\$100 to print a replacement certificate and a COG? This task surely takes an administrator 5mins to check the register and print, hardly needs to be a money making task. And surely it is the role and responsibility of the council to provide such documents to support its members?

Other fees		
Administration fee	45.90	46.82
Application for additional registration advice	474.92	484.42
Application for restoration to the Register	474.92	484.42
Supply of certificate of good standing	94.97	96.87
Supply of replacement registration certificate or any other certificate	94.97	96.87
Supply of electronic copy of Register	208.08	212.24

All the best with the continued work.
