Page 3: Area one: new core recertification programme

Q4 What, if anything, do you like about our proposed core recertification programme?

really think is redundant

Q5 Is there anything about our proposed core recertification programme you would change?

Yes,

Please explain.:

it doesnt serve any help in any level for competency assessment. 2 times a year will just incur more and mote paperwork for you and us.

Q6 Do you support our proposal to change the recertification cycle to 12 months?

No,

Please explain.:

not everyone is able to attend a big course enough for each cycle . some people may choose to attend once every two years. no other country would ever do once a year

Q7 Do you think our proposed core recertification programme should include a requirement for practitioners to complete an online open-book assessment of their technical and clinical knowledge and skills?

No,

Please explain.:

online open book just copy and paste google with another computer really doesnt help achieve anything

Phase two consultation on recertification

Q8 If a proposal about an online open-book assessment of a practitioner's technical and clinical skills and knowledge is supported, how often should practitioners be required to complete an assessment?

Every five ,
years

Please explain.:
makes sense allow time for them to prepare

Q9 Do you have other proposals about our proposed core recertification programme you would like us to consider? Please explain.

please use the original system more fair and practical

Page 4: Area two: support for new registrants

Q10 What, if anything, do you like about our draft proposals for supporting new registrants?

maybe you can put a national exam

Q11 Is there anything about the draft proposals for supporting new registrants you would change?

Yes,

Please explain.:
maybe can consider close monitoring only initially

Q12 Do you think the proposed two year minimum period for the mentoring relationship is:

just right

Q13 Do you think all new registrants should participate in a mentoring programme, or are there some new registrants who should not be required to participate in a mentoring programme?

Yes

Q14 Do you have other proposals about supporting new registrants you would like us to consider? Please explain.

Page 7: Final thoughts and comments

Q21 Do you have any other comments, suggestions or information you want to share with us about the draft proposals for improving our approach to recertification?

seriously yearly cycle is so much work on both side and way too much to allow courses esp long courses to be crammed in yearly
