

Page 2: Information about the person or organisation completing this submission

**Q1** This submission was completed by:

Name

**Dilbag Singh Yadav**

**Q2** Are you making this submission

**as a member of the public**

**Q3** Please tell us which part of the sector your submission represents

**a registered dentist or dental specialist**

Page 3: Area one: new core recertification programme

**Q4** What, if anything, do you like about our proposed core recertification programme?

That is a good decision for all dentist who are Internationally qualified. Appreciate

**Q5** Is there anything about our proposed core recertification programme you would change?

**No,**  
Please explain.:  
Re certification should be done keeping in mind that they are qualified Dentist and people need them.

**Q6** Do you support our proposal to change the recertification cycle to 12 months?

**Yes,**  
Please explain.:  
It will help Dentist to do his certification soon so that he can help people ans society.

**Q7** Do you think our proposed core recertification programme should include a requirement for practitioners to complete an online open-book assessment of their technical and clinical knowledge and skills?

**No,**  
Please explain.:  
Because as you already know that they are qualified Dentist.

## Phase two consultation on recertification

**Q8** If a proposal about an online open-book assessment of a practitioner's technical and clinical skills and knowledge is supported, how often should practitioners be required to complete an assessment?

**Every five** ,  
**years**

Please explain.:

He should be given time to cope up with system

---

**Q9** Do you have other proposals about our proposed core recertification programme you would like us to consider? Please explain.

As you all know they are qualified Dentist and wasting there talent.....you should take advantage of them by allowing them to work as a Dentist.

---

Page 4: Area two: support for new registrants

**Q10** What, if anything, do you like about our draft proposals for supporting new registrants?

It is an excellent proposal council should consider it. It will help society in all ways.

---

**Q11** Is there anything about the draft proposals for supporting new registrants you would change?

**Yes,**

Please explain.:

As you know all professional exams are given in English, that is why score of OET / IELTS should be made easy. Give them basic language classes which will help them to know the local slang. I think that is more then enough for them.

---

**Q12** Do you think the proposed two year minimum period for the mentoring relationship is:

**too** ,  
**long**

Please explain.:

I feel all are professionals and they will learn mentoring relationship fast.

---

**Q13** Do you think all new registrants should participate in a mentoring programme, or are there some new registrants who should not be required to participate in a mentoring programme?

Please explain.:

The Registrants who have more then 20 yrs of experience should not be required to participate in mentoring programme.

---

**Q14** Do you have other proposals about supporting new registrants you would like us to consider? Please explain.

Up grade dentist every year by allowing them to do CDE programs

---

Page 5: Area three: addressing health-related competence decline concerns

**Q15** What, if anything, do you like about our draft proposals for addressing health-related competence decline concerns?

i think they are too sensitive.

---

**Q16** Is there anything about the draft proposals for addressing health-related competence decline concerns you would change?

**Yes,**

Please explain.:

Any mistake done knowingly should not be tolerated. then decline concerns should be taken in consideration.

---

**Q17** Do you have other proposals for addressing health-related competence decline concerns you would like us to consider? Please explain.

Any international dentist who have not studied his professional degree in English should not be considered.

---

#### Page 6: Area four: addressing recurring non-compliant practitioner behaviours

**Q18** What, if anything, do you like about our draft proposals for addressing recurring non-compliant practitioner behaviours?

should be motivated and educated so that they can improve there behavior.

---

**Q19** Is there anything about the draft proposals for addressing recurring non-compliant practitioner behaviours you would change?

**No**

---

**Q20** Do you have other proposals for addressing recurring non-compliant practitioner behaviours you would like us to consider? Please explain.

Give them a chance to practice in society and gradually update them.

---

#### Page 7: Final thoughts and comments

**Q21** Do you have any other comments, suggestions or information you want to share with us about the draft proposals for improving our approach to recertification?

Give them 6 months training and give them temporary practicing certificate so that they can prove them self and take permanent registration.
