Page 3: Area one: new core recertification programme

Q4 What, if anything, do you like about our proposed core recertification programme? **Respondent skipped this question**

Q5 Is there anything about our proposed core recertification programme you would change? **Yes,**
Please explain.:
Having a Peer sign off on a practitioner will definitely create opportunities for things to go south.

Q6 Do you support our proposal to change the recertification cycle to 12 months? **No**

Q7 Do you think our proposed core recertification programme should include a requirement for practitioners to complete an online open-book assessment of their technical and clinical knowledge and skills? **No**

Q8 If a proposal about an online open-book assessment of a practitioner's technical and clinical skills and knowledge is supported, how often should practitioners be required to complete an assessment? **Every four years**

Phase two consultation on recertification

Q9 Do you have other proposals about our proposed core recertification programme you would like us to consider? Please explain.

The present recertification program seems to be working very well. The proposed program will only add to stress to a job that is already very stressful. This may lead to further distress and isolation which is what the proposed program is stating that it will help prevent/minimize.
