Page 3: Area one: new core recertification programme

Q4 What, if anything, do you like about our proposed core recertification programme?

Changing recertification cycle to 12 monthly allows us as practitioners to manage our CPD programs

Q5 Is there anything about our proposed core recertification programme you would change?

Yes,

Please explain.:

Mentoring should be more focused towards supporting new graduates or newly reregistered practitioners registering after being on retention. For established practitioners that are following dental council protocols should not be so micromanaged. As practitioners we often collaborate and discuss treatment plans and or new educational outcomes from our CPD. Also complying with dental council regulations is usually well managed with in corporate dental companies and the ministry of health environments.

Q6 Do you support our proposal to change the recertification cycle to 12 months?

Yes
