Page 3: Area one: new core recertification programme

Q4 What, if anything, do you like about our proposed core recertification programme?

Respondent skipped this question

Q5 Is there anything about our proposed core recertification programme you would change?

Yes,
Please explain.:
My concerns are We have an ageing workforce that is reducing hours where possible. Could the required CPD hours be reduced as well if you are not working full time. Also could the cost of the APC be reduced if you are not working full time.

Q6 Do you support our proposal to change the recertification cycle to 12 months?

Yes,
Please explain.:
It means you will keep it up to date and not be scrambling to fill in the blanks when there is a longer period

Q7 Do you think our proposed core recertification programme should include a requirement for practitioners to complete an online open-book assessment of their technical and clinical knowledge and skills?

No,
Please explain.:
Each DHB uses different materials and have different protocols.

Phase two consultation on recertification

Q8 If a proposal about an online open-book assessment of a practitioner's technical and clinical skills and knowledge is supported, how often should practitioners be required to complete an assessment?

Every five years

Q9 Do you have other proposals about our proposed core recertification programme you would like us to consider? Please explain.

Respondent skipped this question

Page 4: Area two: support for new registrants

Q10 What, if anything, do you like about our draft proposals for supporting new registrants?

Why dont they come out better training. In the BOP DHB they are so supported for their first year and then often they leave. They graduate with very little clinical experience in fillings and extractions

Q11 Is there anything about the draft proposals for supporting new registrants you would change?

Respondent skipped this question

Q12 Do you think the proposed two year minimum period for the mentoring relationship is:

Please explain.:
I think it is impractical

Q13 Do you think all new registrants should participate in a mentoring programme, or are there some new registrants who should not be required to participate in a mentoring programme?

Respondent skipped this question

Q14 Do you have other proposals about supporting new registrants you would like us to consider? Please explain.
