Page 3: Area one: new core recertification programme

Q4 What, if anything, do you like about our proposed core recertification programme?

Pdp and pda

Q5 Is there anything about our proposed core recertification programme you would change?

Yes,

Please explain.:

Having a peer profession is so challenging whom would you select how would be sure you have the right person guiding you? If personal conflicts are reflected in the assessment indirectly how can you do a fair judgement. The peer professional will be reviewed by someone else how are we sure their methods are evidence based

Q6 Do you support our proposal to change the recertification cycle to 12 months?

No,

Please explain.:

We dont have PDAs annually what if we have a specific pdp and the objective is not completed just because there is no pda relevant conducted in that 12 months

Phase two consultation on recertification

Q7 Do you think our proposed core recertification programme should include a requirement for practitioners to complete an online open-book assessment of their technical and clinical knowledge and skills?

No,
Please explain.:
Open book assessment can't prove a dentist works 24/7 with all those skills in practice
