Q5 Is there anything about our proposed core recertification programme you would change?

No

Q6 Do you support our proposal to change the recertification cycle to 12 months?

No,
Please explain.:
I believe that 12 months cycle is too early to evaluate individual PDP and we can not focus of a lot of work. I personally prefer 2 years cycle.

Q7 Do you think our proposed core recertification programme should include a requirement for practitioners to complete an online open-book assessment of their technical and clinical knowledge and skills?

No

Q8 If a proposal about an online open-book assessment of a practitioner's technical and clinical skills and knowledge is supported, how often should practitioners be required to complete an assessment?

Every two years ,
Please explain.:
I think one year cycle is too early, but 3 years cycle is too long. 2 years cycle is just right.
