Q3 Do you agree or disagree with the proposal to remove the 18-year age limit for restorative activities from the OHT scope of practice including: accredited, gazetted programmes allowing oral health therapists to perform restorative treatment on patients 18 years and older an exclusion, such as "Restorative treatment on patients 18 years and older", being placed on oral health therapists' scopes of practice until they complete an accredited adult restorative programme which will allow them to apply to have the exclusion removed (noting that the activities registered oral health therapists can currently perform within their scope of practice remain unchanged).	Strongly disagree

Q5 Please describe your specific concern/s with the proposal

In [REDACTED] there are not enough dental therapists to treat the kids already. Some waiting times to be seen by BeeHealthy are huge. I am worried if the scope is increased the kids will be the ones that are negatively impacted
