Page 5: Your concerns

Q5 Please describe your specific concern/s with the proposal

1. Concerned that the proposal will negatively influence the SDS which is already struggling with understaffing
 2. Concerned that this will lead to an increase in hospital referrals of children to the already overwhelmed hospital systems with the likelihood of the SDS work likely to be seen as less attractive than the scope of the older agegroup
 3. concern that the training is going to be adequate for the therapists to upskill - I hear a 12 week work placement. is this really meant to be sufficient for upskilling to this level?
 4. concern that the business model has actually been looked as to whether this is really going to provide cheaper access for the public
