Q5 Please describe your specific concern/s with the proposal

Dentists train for 5 years, therapists train for 3 years. A lot of adult treatment is complicated and demanding, requiring a higher level of training. I would foresee therapists getting out of their depth, leading to an increase in problems and complaints.

Q6 Do you have any specific feedback on the proposed amendments to the OHT scope of practice, prescribed qualifications or competencies as set out in appendices 1 & 2? **Yes**

Q7 Please provide us specific comments related to the OHT scope, qualifications and competencies.

It's a slippery slope making changes. When therapy first started in NZ it was made very clear it was for the purpose of treating under 18s. This is one step too far.
