Q1 Your details

Name	Jen Pearce
Company/organisation	[Redacted]
City/town	[Redacted]
Email	[Redacted]

Q2 Your submission is in the capacity as **oral health therapist**

Page 3: The proposal

Q3 Do you agree or disagree with the proposal to remove the 18-year age limit for restorative activities from the OHT scope of practice including: accredited, gazetted programmes allowing oral health therapists to perform restorative treatment on patients 18 years and older an exclusion, such as "Restorative treatment on patients 18 years and older", being placed on oral health therapists' scopes of practice until they complete an accredited adult restorative programme which will allow them to apply to have the exclusion removed (noting that the activities registered oral health therapists can currently perform within their scope of practice remain unchanged). **Strongly agree**

Page 4: Your support

Q4 Please describe why you support the proposal

I believe the change would move the ambulance from the bottom of the hill in terms on NZ's dental health esp for the aging population.
By preventative care, basic fillings being more accessible to those in need in their 20's and 30's, it will help problems blowing up later in life.

Q9 Please provide us your feedback

It just needs to be done. the funding needs to become available for young adults to have more access to care and a Oral Health therapist providing it is the best answer. Other countries are doing it and succeeding, why not us?
