**Q4** Please describe why you support the proposal

This proposal can help low-income families to get good oral health service. Especially in Gisborne, there are more than 2/3 population of Maori and Pacific people. That's good children under 18 years old get funded to have dental treatment by the school dental team in Gisborne. However, visiting private dental clinics is not affordable for some teenagers who are over 18 years old or adults. This proposal can help them to easily get access to dental service.
