Q3 Do you agree or disagree with the proposal to remove the 18-year age limit for restorative activities from the OHT scope of practice including: accredited, gazetted programmes allowing oral health therapists to perform restorative treatment on patients 18 years and older an exclusion, such as "Restorative treatment on patients 18 years and older", being placed on oral health therapists' scopes of practice until they complete an accredited adult restorative programme which will allow them to apply to have the exclusion removed (noting that the activities registered oral health therapists can currently perform within their scope of practice remain unchanged).	Strongly disagree

Q5 Please describe your specific concern/s with the proposal

I do not believe they have the skill set. They barely cope with treating children appropriately and my work all had to be redone as an adult as it was substandard. I don't believe it is appropriate to re-allocate this subset of the dental workforce when they are incapable of working to a high standard.
