Q3 Do you agree or disagree with the proposal to remove the 18-year age limit for restorative activities from the OHT scope of practice including: accredited, gazetted programmes allowing oral health therapists to perform restorative treatment on patients 18 years and older an exclusion, such as "Restorative treatment on patients 18 years and older", being placed on oral health therapists' scopes of practice until they complete an accredited adult restorative programme which will allow them to apply to have the exclusion removed (noting that the activities registered oral health therapists can currently perform within their scope of practice remain unchanged).

Strongly agree

Q4 Please describe why you support the proposal

I think it should be allowed because it will make getting this treatment cheaper but have no loss in quality, which may encourage people to get the treatment when they need it. Also the OHT's do the right training already.

Q9 Please provide us your feedback

The 'extra' training to be able to do these procedures on adults should be included in the standard course for OHT's
