**Q3** Do you agree or disagree with the proposal to remove the 18-year age limit for restorative activities from the OHT scope of practice including: accredited, gazetted programmes allowing oral health therapists to perform restorative treatment on patients 18 years and older an exclusion, such as "Restorative treatment on patients 18 years and older", being placed on oral health therapists' scopes of practice until they complete an accredited adult restorative programme which will allow them to apply to have the exclusion removed (noting that the activities registered oral health therapists can currently perform within their scope of practice remain unchanged).

**Strongly agree**

**Q4** Please describe why you support the proposal

Its the right thing to do and the people of Gisborne will benefit greatly with increased access. The scopes will require approved qualification so there is no concern with patient safety once OHTs complete an approved program
