Q3 Do you agree or disagree with the proposal to remove the 18-year age limit for restorative activities from the OHT scope of practice including: accredited, gazetted programmes allowing oral health therapists to perform restorative treatment on patients 18 years and older an exclusion, such as "Restorative treatment on patients 18 years and older", being placed on oral health therapists' scopes of practice until they complete an accredited adult restorative programme which will allow them to apply to have the exclusion removed (noting that the activities registered oral health therapists can currently perform within their scope of practice remain unchanged).

Strongly agree

Q4 Please describe why you support the proposal

Restoration of Adult teeth has been covered on BOH lectures and clinics, along with this Pharmacology, human diseases, oral anatomy, oral health therapy. This makes OHT confident to see adult patients. I believe to remove the age limitation will make dental restorative treatments more available to patients and more affordable. Working hand in hand with the dentists, will help their practice easier by fully utilizing the scope of practice of a OHT
