Q3 Do you agree or disagree with the proposal to remove the 18-year age limit for restorative activities from the OHT scope of practice including: accredited, gazetted programmes allowing oral health therapists to perform restorative treatment on patients 18 years and older an exclusion, such as "Restorative treatment on patients 18 years and older", being placed on oral health therapists' scopes of practice until they complete an accredited adult restorative programme which will allow them to apply to have the exclusion removed (noting that the activities registered oral health therapists can currently perform within their scope of practice remain unchanged). **Strongly agree**

Q4 Please describe why you support the proposal

By allowing OHT's to broaden their scope it will allow the public to have greater access to dental care which had the potential to be more affordable. The scope will allow a more convenient service where a whole family can have treatment by the same person. By having this scope it will allow OHT's to do more in a volunteering expenditure, allowing them to provide care to a wider range of people.
