Q4
Please add your Dental Council Person ID registration number

Page 5: Proposal area 1: The requirement for a professional relationship

Q5

Disagree

Do you agree/disagree with the proposal to remove the mandated requirement for a professional relationship (dental therapy), working relationship (dental hygiene, orthodontic auxiliary practice), and a consultative professional relationship (oral health therapy) from the respective scopes of practice. Please detail why.

Q6

Please provide comments to support your response.

allows for in house/in surgery consultation between colleagues in the event of a more complex situation that the patient may not have disclosed prior to the appointment. For example a drug interaction.

Page 6: Proposal area 1: The requirement for a professional relationship

Q7

Disagree

Do you agree/disagree to remove references to working/professional/consultative professional relationships from the dental therapy, dental hygiene, orthodontic auxiliary practice, oral health therapy, dental technology and clinical dental technology scopes of practice? (as detailed in Appendices A – F). Please detail why.

Q8

Please provide comments to support your response.

removes the beneficial working relationship between the dentist and other dental colleagues

Page 8: Proposal area 2: Practising conditions for dental hygiene activities

Q9

Agree

Do you agree/disagree with the removal of the requirement for direct clinical supervision for administration of local anaesthetic and prescription preventive agents? Please detail why.

Q10

Please provide comments to support your response.

I believe that a dental hygienist with the appropriate training in administering Local anaesthesia, and who is appropriately trained and has adequate knowledge of possible drug interactions should be trusted to administer it without direct supervision

Page 9: Proposal area 2: Practising conditions for dental hygiene activities

Q11

Agree

Do you agree/disagree with the removal of clinical guidance for the remainder of the dental hygiene scope activities? (excluding the orthodontic activities currently defined as being performed under direct supervision). Please detail why.

Q12

Please provide comments to support your response.

adequate training and CPD should suffice administering competent services by the OHT/Hygienist.

Page 10: Proposal area 2: Practising conditions for dental hygiene activities

Q13

Agree

Do you agree/disagree to align the description of the following scope activity with current dental hygiene practice in the following way: obtaining and reassessing medical and dental oral health histories? Please detail why.

Q14

Please provide comments to support your response.

more accurate
