Re: Annual Practising Certificate (APC) fees and disciplinary levies

---

[REDACTED]

To DCNZ,

I would like to oppose any hike in the fees for APC's as it will be passed on to the New Zealand public which is already struggling to look after their dental needs due to inflation etc.

I have noticed that DCNZ has failed to reply to NZDA communication requests. I would like to request DCNZ to communicate with my dental professional Association and look at ways to reduce cost cutting within DCNZ.

Kind regards
