Q9

Somewhat

Do you believe the proposed changes will help reduce barriers to registration for suitably trained overseas practitioners?

Q10

Please tell us why:

I know an Ukraine dentist who practiced in Germany as a hygienist just to get out of Ukraine. (I think Germany is one of the 21 countries we accept dentists from?) He has been working as a dental assistant in NZ since last year when he arrived in NZ, and his English is improving. But I can't tell if your new or old structure will support him in becoming a dentist here even though he is being exposed to very good dentistry which will set him up with knowledge of our standards (by NZ dentists who I truly believe do good work and who would probably gladly be involved in monitoring his work and supporting him until DCNZ feels he is ok to carry on without such monitoring).
