Page 4: Proposed registration pathways

**Q9**

**Yes**

Do you believe the proposed changes will help reduce barriers to registration for suitably trained overseas practitioners?

---

**Q10**

Please tell us why:

In uk ,Canada,USA everywhere there are are bridging programs available that fill the practice gaps that international students have ,and train them the way the things work in these countries similarly Australia and new Zealand should have same courses it will increase confidence of international students and of state that their health is in safe hands trained under their own supervision. And they are familiar with the environment they gonna practice just the way their own students are.
