Q11

Oppose

Do you support the introduction of the 'Competent authority - registration' pathway?Click to learn more about the proposed pathway

Q12

Please tell us why:

It excludes OMFS but should also exclude oral surgery. NZ has a long record of extreme variation in the quality of BOTH OMFS and OS coming to NZ. It is the councils responsibility to ensure public safety and I think there is a huge risk of letting in OS's who do not have a defined scope of practice in this country.
