**Q11**

**Oppose**

Do you support the introduction of the 'Competent authority - registration' pathway? Click to learn more about the proposed pathway

---

**Q12**

Please tell us why:

Some councils do not have strict guidelines to ensure competency of practitioners and this can lead to poorer outcomes for nz patients.

---

**Q14**

Please tell us why:

Current countries that are recognised are already those that can maintain standards of their graduates. It may be difficult for dcnz to determine the competency of the individual practitioner. Minimum hours in practice does not equate to competency- in many countries eg they see 50 patients a day, some fillings are not even caries free.

---

**Q16**

Please tell us why:

This may be used as a pathway for practitioners who are unable to come in on other registrations, but the university does need more lecturers

**Q17**

**Partially support**

Do you support removing the requirement for a medical degree for oral medicine specialist registration in New Zealand, subject to the relevant medical training and clinical experiences being embedded into the specialist training programme? Click to learn more about the proposed changes.

---

**Q18**

Please tell us why:

Many dental graduates do not know enough about non dental systems

Page 12: Proposed administrative changes to the prescribed qualifications

**Q23**

**Respondent skipped this question**

Do you have feedback on the proposed administrative changes to prescribed qualifications for any of the scopes of practice, as reflected in the draft Gazette notices?

---

**Q24**

Please tell us your feedback. When discussing multiple scopes, please indicate clearly which scope of practice you are referring to in your comment.

Nz is the only country that allows specialist registration without gdp registration which is used as a back door for those who otherwise may struggle to register.
