Page 4: Proposed registration pathways

**Q9**

**Yes**

Do you believe the proposed changes will help reduce barriers to registration for suitably trained overseas practitioners?

---

**Q10**

Please tell us why:

Having gone through the individual assessment myself I can relate on how difficult it can be to put all the documentation together. If you can simplify the process by implementing 3 new pathways this will help. Also, NZDC needs to inform dentists around the world about this pathway- had I known I would have come 15 years earlier and would have been way more settled now.
