Q9

Yes

Do you believe the proposed changes will help reduce barriers to registration for suitably trained overseas practitioners?

Q10

Please tell us why:

yes but is this fair on nz students that are unable to access dental training due to insufficient places. And its unfair on NZ grads who don't receive reciprocal registration rights from these countries.

Do you support the introduction of the 'Comparable health system' pathway for dentists?[Click to learn more about the proposed pathway](#)

Q14

Please tell us why:

Because it is unfair on NZ grads who do not have reciprocal rights and have needed to achieve incredibly high marks to get into dentistry. More dental student places are needed, a new dental school should be built in Hamilton or auckland
