**Q9**

**Yes**

Do you believe the proposed changes will help reduce barriers to registration for suitably trained overseas practitioners?

---

**Q10**

Please tell us why:

As someone who would like to have a part time job and study for masters in NZ at the same time, I find that the stress of studying for both NZ exam and masters would be difficult. The exam would need a lot of time to prep and for someone who is waiting upon acceptance in order to apply for the exam I find it stressful. I'd also like to add that I think this will allow a lot of health care professionals that are from different regions to look forward to come to NZ to work as it is one of the top in my opinion
