Q9

No

Do you believe the proposed changes will help reduce barriers to registration for suitably trained overseas practitioners?

Q10

Please tell us why:

This will drive more local trained students to move to other countries, will lead to competitiveness in fee structure, will cause local students to stay in rural areas as bigger cities are saturated with dentists, providing more spaces to train local students will ensure sustainability of steady supply of dentists, set up better infrastructure to keep dentists in rural places.

Do you support the introduction of the 'Teaching and research' pathway?[Click to learn more about the proposed pathway](#)

Q16

Please tell us why:

Can diversify teaching bringing more experience for students. However this may lead to them becoming registered or if not, a problem later on for them to become registered if they want to go back to practicing.

Q17

Support

Do you support removing the requirement for a medical degree for oral medicine specialist registration in New Zealand, subject to the relevant medical training and clinical experiences being embedded into the specialist training programme? Click to learn more about the proposed changes.

Q18

Please tell us why:

Yes, will be much more useful to train the requirement on the specialty than a separate degree.
