Q9

Yes

Do you believe the proposed changes will help reduce barriers to registration for suitably trained overseas practitioners?

Q10

Please tell us why:

I have been working in UK since 5 years and want to relocate to New Zealand due to family reasons. I have LDS qualification from RCS England but I have done BDS from India. The paperwork & assessment timeframe puts immense pressure on us. If the New Zealand regulatory body accepts GDC accredited qualification/GDC registration and eases the pathway it would help us to come and work in NZ
