Q9

Yes

Do you believe the proposed changes will help reduce barriers to registration for suitably trained overseas practitioners?

Q10

Please tell us why:

Yes, I believe the proposed changes will help reduce barriers to registration for suitably trained overseas practitioners. Many dentists are already capable of meeting registration standards, but the high cost and significant time required to sit overseas board exams prevent them from achieving registration. Making the process in New Zealand more achievable and accessible would allow these practitioners to demonstrate their competence without unnecessary financial and logistical burdens.
