Page 9: Proposed removal of requirement for a medical degree for oral medicine specialist registration

Q17

Support

Do you support removing the requirement for a medical degree for oral medicine specialist registration in New Zealand, subject to the relevant medical training and clinical experiences being embedded into the specialist training programme? Click to learn more about the proposed changes.

Q18

Please tell us why:

I am a dentist and I did a 5.560 hours residency in Oral Medicine. I feel that I am fully capable of doing oral diagnosis.

Page 10: Proposed removal of requirement to register in dental technology before registering in CDT

Q19

No opinion/NA

Do you support removing the requirement to register in dental technology before registering in clinical dental technology? Click to learn more about the proposed changes.

Q22

Respondent skipped this question

Please tell us why:

Page 12: Proposed administrative changes to the prescribed qualifications

Q23

Oral and maxillofacial surgery

Do you have feedback on the proposed administrative changes to prescribed qualifications for any of the scopes of practice, as reflected in the draft Gazette notices?

Q24

Please tell us your feedback. When discussing multiple scopes, please indicate clearly which scope of practice you are referring to in your comment.

There is a lot of Dentists that are better than doctors in Maxillofacial and Oral Surgery, why do you have the need to pursue a Medical Doctor degree?

Page 13: Proposed fees for the new registration pathways

Q25

No

Do you find the proposed fees for the new registration pathways reasonable?Proposed fee notice

Q26

Please tell us why or why not?

The fees for the Comparable Health System are too high, these countries listed are not that rich.
