Page 4: Proposed registration pathways

Q9 Yes

Do you believe the proposed changes will help reduce barriers to registration for suitably trained overseas practitioners?

Q10

Please tell us why:

Obviously, it will decrease the barrier because it's making more pathways to working in NZ

Q16

Please tell us why:

I believe this could cause a multitude of issues for students and, therefore, future practitioners. From my own experience as a student, the international tutors, although great, their knowledge of NZ system was not up to the same standard as the NZ practitioners and further a permanent supervision is an unrealistic long term commitment.

Partially support

Do you support the proposed changes to the New Zealand registration examination requirements?Click to learn more about the proposed changes.

Q22

Please tell us why:

I don't support dentists applying to register as dental therapists/dental hygienists or Oral Health Therapists. I do support other hygienists/therpists applying though.
