Q13

Partially support

Do you support the introduction of the 'Comparable health system' pathway for dentists? [Click to learn more about the proposed pathway](#)

Q14

Please tell us why:

Most of the countries are not English-speaking, so an English proficiency test may be required.

Q15

Partially support

Do you support the introduction of the 'Teaching and research' pathway? [Click to learn more about the proposed pathway](#)

Q16

Please tell us why:

This initiative will help improve the situation in dental schools and potentially increase manpower. I agree that registration should remain restricted and that the conditions must be held to high standards.

The registration conditions could be made more restrictive, applying only to clinical supervision, similar to the approach used by some Australian schools.

Removing conditions or any pathway toward full registration should be avoided. We have seen cases where individuals obtained full registration and subsequently left the school.

Page 9: Proposed removal of requirement for a medical degree for oral medicine specialist registration

Q17

No opinion/NA

Do you support removing the requirement for a medical degree for oral medicine specialist registration in New Zealand, subject to the relevant medical training and clinical experiences being embedded into the specialist training programme?Click to learn more about the proposed changes.
