Page 4: Proposed registration pathways

**Q9**

**Somewhat**

Do you believe the proposed changes will help reduce barriers to registration for suitably trained overseas practitioners?

---

**Q10**

Please tell us why:

They should open pathways to already existing New Zealand residents with overseas qualifications. I believe limited scope or work under supervision for 6 months would be a good start or base. And everyone should be individually assessed.

**Q12**

Please tell us why:

Same reason as before. Old pathways are too stringent and as exams are overseas, it is very financially draining.
